

YOU HAVE AN AWESOME WEBSITE

NOW HOW DO YOU KEEP IT AWESOME?

Sure, you could leave your website as-is and never update it.

But that's BORING.

And while boring might be just the ticket for a relaxing Sunday afternoon...

Boring is bad news when it comes to your web presence.

FIRST, DETERMINE WHAT YOUR GOAL IS.

NO FRILLS

For some groups, all you need is a simple way to display essential information.

**CUSTOMER
ENGAGEMENT**

Switching out graphics regularly and responding to inquiries is vital for this.

EDUCATE

If the knowledge you share is constantly changing, be prepared for regular updates.
